

Westport Public Schools Transportation Information

Overview:

The 2016-17 school bus schedules for regular transportation are now posted on the Westport Public Schools website, www.westport.k12.ct.us. Click on the Quick Links tab. Bus route schedules are listed by school. You can confirm your child's bus number and stop time on the Home Access registration tab.

All bus route stop times are approximate. **Students should be at their appropriate bus stops approximately ten (10) minutes before the scheduled pickup time.** The bus may not stop if the student is inside the house, garage, or on the front porch. Pickup times may be adjusted during the first few weeks of school and can fluctuate from day-to-day during the school year due to issues such as traffic, weather, temporary road construction or closures, etc. **Any adjustment to a stop time of more than 15 minutes will require notification by the transportation office.**

Bus schedules are established according to the enrollment information available to us as of August 22, 2016. The bus schedules are subject to revision due to enrollment changes such as transfers, address changes, or additional registrations. [Bus route updates/changes after this date will be provided to Dattco, our transportation provider on a weekly basis beginning September 6, 2016.](#)

Requests to establish or alter an existing bus route and/or stop must be made by completing a bus stop change request form which is available on our website. Send the completed form to: Sandra Evangelista, Transportation Coordinator, 110 Myrtle Avenue, Westport CT 06880, or email sevangelista@westport.k12.ct.us.

The Westport Public School System appreciates your patience while we address the large number of requests for bus stop changes that are received at the beginning of the school year. Bus stop change requests are addressed with highest priority being the safety of students, followed by assigning bus stops for new students, and adjusting the routes that take longer than the allotted time to allow on time service to each school.

Parents/guardians are responsible for the actions and safety of their children walking to, from and at the bus stop and to and from the school assigned. Please note that a parent, guardian, or designated adult must be at the assigned bus stop of a kindergarten student when the bus picks up or delivers the student to and from school. Students in Grades 1-12 **WILL** be dropped off at their bus stop regardless of whether or not a parent or designated adult is present.
